### INSTRUCTIONS

**Step 1:** Clean your tin cans, once dry paint a layer of paint all over the tin can.

**Step 3:** Continue each row until you cover the tin can completely.

**Step 2:** Wait for the paint to dry completely, when dry, start wrapping your tape around your tin evenly. We pulled quite tightly and cut the end off when wrapped around.

**Step 4:** Place pens in your new pen holder. How easy was that! Now you have some fun, vibrant pen holders just in time for school.
