

X-PressIt®

Winter Pine Cone Garland

STEP BY STEP

WHAT YOU'LL NEED

- X-Press It Metal Leaf
- X-Press It Gold Size
- X-Press It Paint Brush
- Pine Cones
- Glitter

INSTRUCTIONS

Step 1: Using a clean paint brush, apply a thin layer of X-Press It Gold Size on the areas you want to cover with the Metal Leaf. Allow the Gold Size to dry for 15 minutes or until it becomes tacky.

Step 3: Once covered with Metal Leaf, use a clean, soft brush to dust off the excess leaf softly. You can also sprinkle some glitter on top to add more sparkle.

Step 2: Delicately place X-Press It Metal Leaf onto the area where you have applied the Gold Size. (You can use tweezers or your fingers to do this).

Step 4: Using string tie up the top of the pine cones to create your garland. Hang up your garland in your home or place it as a centerpiece on your dining table.
